FAMILIES WELCOMED TO SALTWATER FOR *THE VILLAGE* LAUNCH

A carnival atmosphere is expected at the Saltwater Coast Estate at Point Cook, with families being encouraged to visit the masterplanned community for the launch of its multi-million dollar display village over 19-20 February.

The estate, brought to you by FKP property group, has hosted a number of successful community events in recent times, including the 'Meet Your Neighbours' day and 'Christmas Lunch' for Saltwater Coast residents.

The launch of *The Village* is open to everyone and is a great opportunity for home buyers to come and see first hand the house and land opportunities that are available in the growing community.

The forty nine homes which make up the display village will all be completed and open for inspection. There will be a sausage sizzle and family entertainment including face painting and pony rides for children.

Executive General Manager Residential Communities Evian Delfabbro said it was a very exciting time with the opening of *The Village* being a significant milestone.

"I am pleased that the community can help us celebrate the key developments within the estate and I expect that this tradition will continue in the years to come," Ms Delfabbro said.

"This wonderful estate is only getting better with prospective buyers now having the opportunity to see, touch and feel, what can be their new home by Port Phillip Bay.

"Homes at *The Village* boast leading architectural and interior designs so buyers know that they are getting the best Australia has to offer.

"The 17 builders have a wide range of house and land packages to suit different lifestyles, tastes and budgets, while for those who are looking for the perfect lot for their dream home, there are a range of home sites to choose from."
